More Information

Developed with the needs of the "kinetic elite" in mind, the Samsung NC10 is expertly crafted to complement people's fast-paced and digitally interconnected lives. The result is truly ground-breaking ? giving people a powerful, stylish and convenient way to share information, photos, music, personal content and stay connected to the Internet at home and on the move. And for that extra touch of style, the superb look and feel of its ultra-compact and elegant chassis is accentuated with a choice of colours and haptic styling. Even though it is one of the world's lightest netbook in its 10.2" class, weighing just 1.33kg with a powerful 6 cell battery, the NC10's innovative design is packed with the latest technology for maximum mobility and productivity. It also incorporates a range of practical features, like a normal-size, ergonomic notebook PC style keyboard, to simplify life on the move. So when you need to stay in touch, but want to make a good impression the NC10 makes complete sense.

Intel® Atom? processor

Based on an entirely new micro-architecture, the Intel® Atom? processor increases energy efficiency to extend battery life, whilst delivering enhanced mobile performance and increased system responsiveness on netbook devices.

Ergonomic Keyboard

The NC10 Incorporates a normal-size, notebook PC style keyboard, for easy typing. Its ergonomic design and optimized key spacing make working and communicating a much more pleasurable and productive experience, with fewer errors and faster typing speeds.

Seeing is believing

The NC10?s 10.2" widescreen display is optimised to deliver a seamless visual experience, so you can enjoy photo-like image quality, greater viewing angles and better text legibility, reducing eye strain and improving your experience.
