More Information

When it comes to great value laptops that won't let you down, look no further than the R60 +!

With a powerful Intel Celeron 2GHz processor it should make light work of even complex tasks as well as your day to day stuff.

But it's not just for work, the 120 GB Hard Drive means that there's plenty of room for movies, music and photos as well as your boring work stuff too.

Plus, with the 15.4 inch widescreen display and DVD re-writer you can enjoy all the latest movies in dazzling detail. What's more, with full WiFi capabilities you can enjoy all this on the move.

The R60 + is a great all rounder with an incredible spec for its price range. Clearly an ideal choice for the demanding user and at this price you can't afford to miss out!
